

Chamber Gift Certificate Program

The OACCT gift certificate program is designed to keep the dollars in the Owatonna community. These certificates also have a large impact on our local economy. In recent years, the total dollars of gift certificates sold ranged from \$195,000 to \$249,000!

Guidelines for Purchasing:

- Gift certificates can be purchased through the OACCT office only or on the Chamber website (www.Owatonna.org). Any business or individual can purchase gift certificates.
- They are sold in denominations of \$5, \$10 and \$25. Payment must be made at the time of purchase by check, cash or credit card (MasterCard, Visa & Discover).
- A current list of chamber members will accompany all gift certificates.
- Gift certificates are redeemable only by current OACCT members.
- Bank institutions that are members of the chamber will not give cash for the certificate. A purchase must be transacted. (i.e.: bank merchandise, commemorative coins, certificates, etc.)

Guidelines for Redemption:

- The OACCT gift certificates are dollar for dollar and exact change should be returned to the purchaser.
- Gift certificates can be deposited, just like a check, into your bank deposit account.

Call the OACCT office if you have any questions regarding this program!
